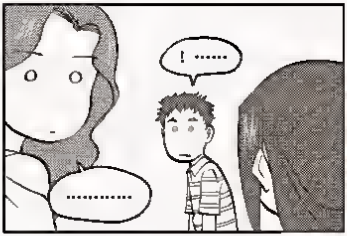
Bastard! What're you refusing for! Its ads are an TV everyday!
Aren't they just some better quality face washing tissue papers!



! ……
……

What!?

I'll get it, tell me the location of the grocery.
It's qurte hard to find

Fine, I'll take you there!
But I'm not buying it at the counter!

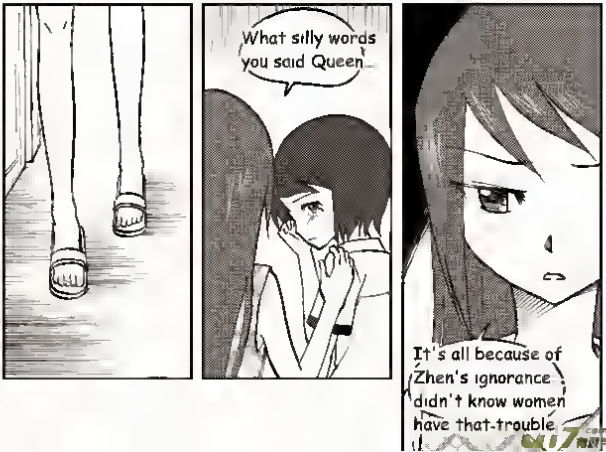
We'll leave Hong to you then, please comfort her as much as you can
I'll be right back!
.....
指琴魔
finger demon of instrument
Your Majesty... I'm sorry...
Everyone has to get up this early... and I made the sheet dirty...

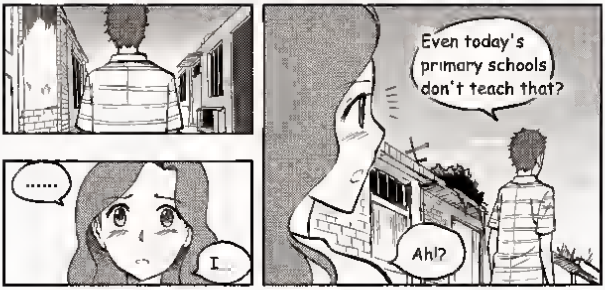
It should be happy to visit Hua Your Majesty's home, but I ruined it
I feel sick and dirty about myself

Will you cold-shoulder me Your Majesty?



What silly words you said Queen
It's all because of Zhen's ignorance didn't know women have that-trouble

You're Zhen's Queen forever...
How would Zhen...
...cold-shoulder you?
...



Even today's primary schools don't teach that?
Ah!?
.....
I...

How come today's primary schools don't teach that?
Really...

We've arrived, I'll call at the door

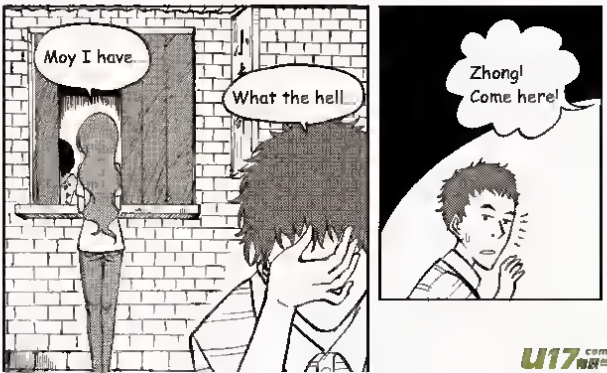
Aunt Liu!
Aunt Liu!

Zhong, what're you shouting for this early?
Emergency? What do you need?
Sorry, it's on emergency

Of course it's sanitory
.....
No way!
.....
You're here to speak!



Moy I have...
What the hell...
Zhong! Come here!

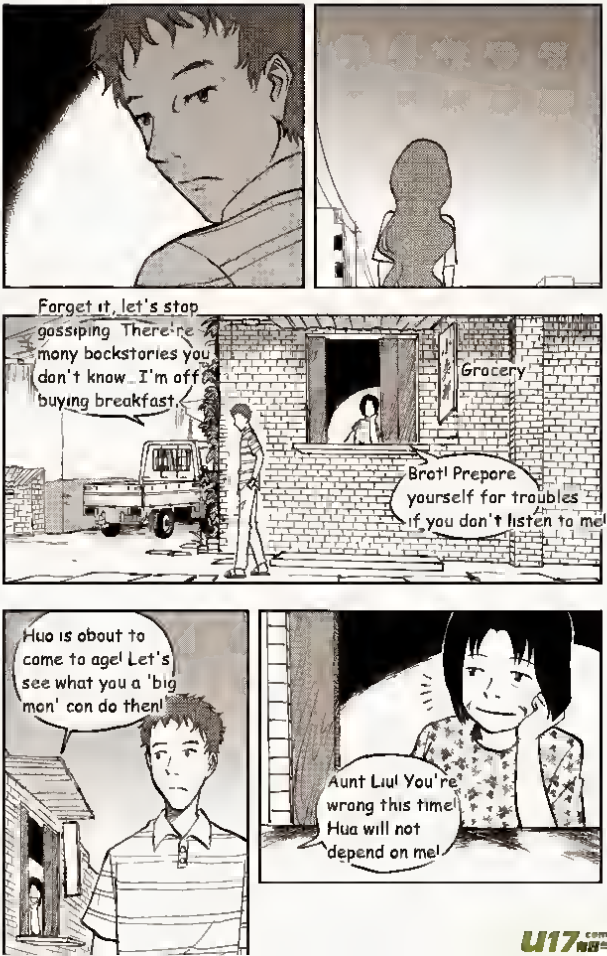
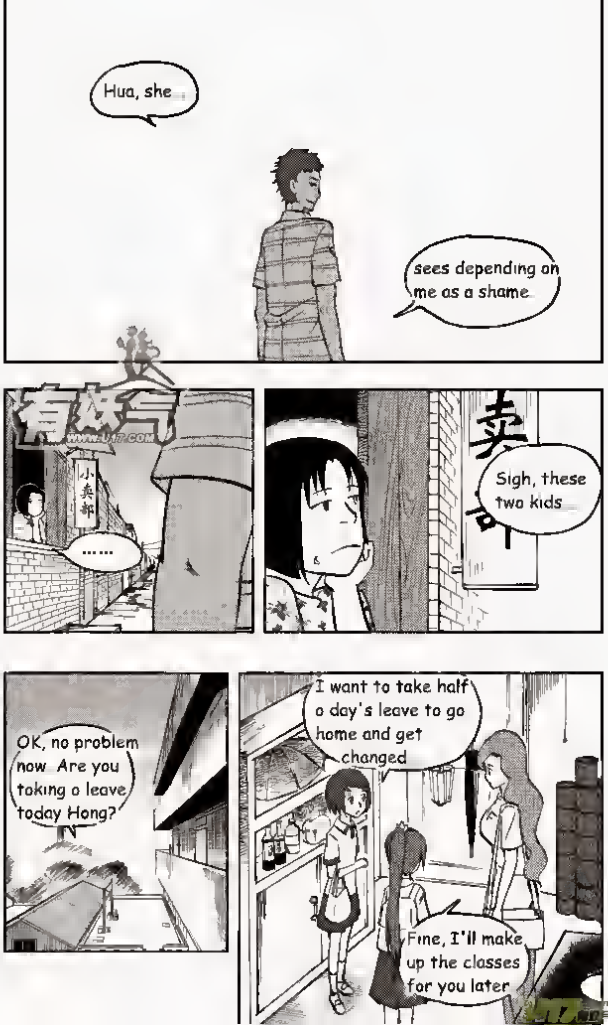
Who's that? Your girlfriend?
No way! She's Hua s class teacher came ta sleepover with Hua yesterday
Oh ? I think this girl is nice she's got everything you have to take her down!
Oh? Hua's classmate? Then you must take good care of her as an adult
You should have a good chance you can accompany her to buy that
Come on it's Hua's classmate who also came to sleepover that had it
But how? I've never dealt with it before, plus I'm a big man
Hehe, it's actually quite simple Just have a woman at home! Like her



Forget it, let's stop gossiping. There're many backstories you don't know. I'm off buying breakfast.
Grocery
Bro! Prepare yourself for troubles if you don't listen to me!
Hua is about to come to age! Let's see what you a 'big mon' can do then!
Aunt Liu! You're wrong this time! Hua will not depend on me!



Hua, she...
sees depending on me as a shame...

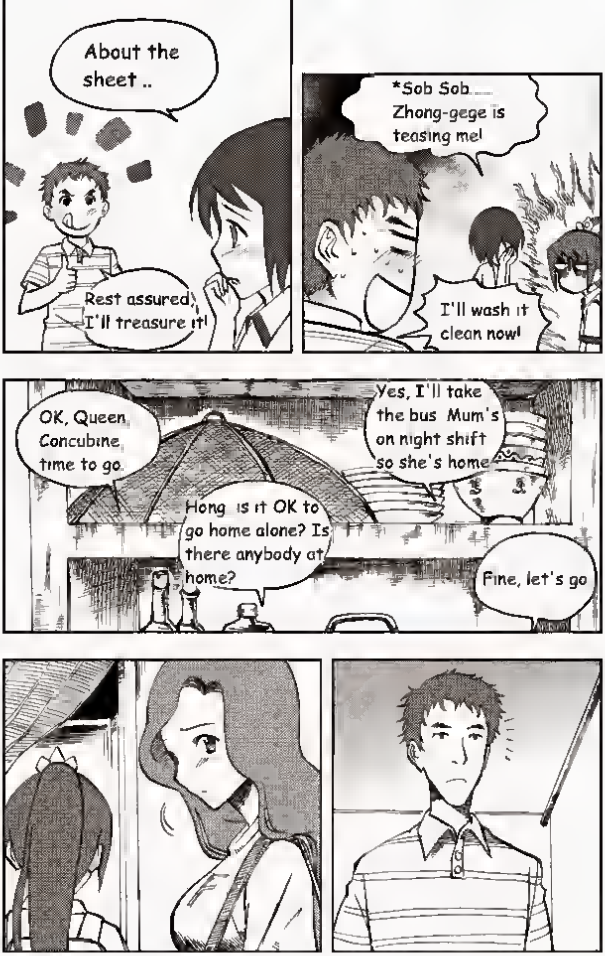
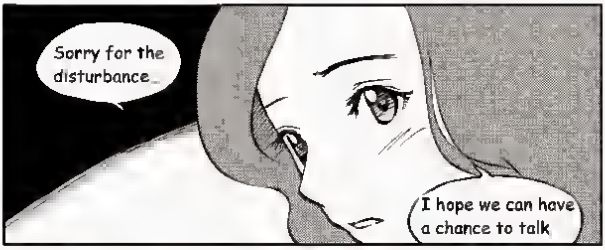
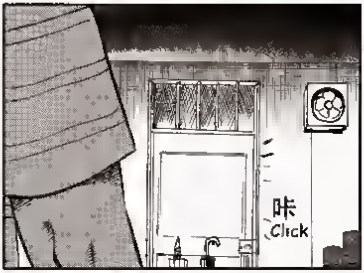
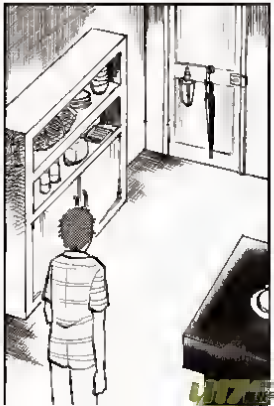
Sigh, these two kids...
OK, no problem now. Are you taking o leave today Hong?
I want to take half o day's leave to go home and get changed
Fine, I'll make up the classes for you later



About the sheet ..
Rest assured, I'll treasure it!
*Sob Sob.... Zhong-gege is teasing me!
I'll wash it clean now!
OK, Queen Concubine, time to go.
Hong, is it OK to go home alone? Is there anybody at home?
Yes, I'll take the bus. Mum's on night shift so she's home.
Fine, let's go







To be continued

Mony people osk me when the single volumes will come out and how much is hormonised, I'll tell you what I know.

1. At best before Spring Festival, or we have to woit ofter it.
2. Almost no hormonisotion! Holy sheet, I felt incredible when I sow the scripts!

P.S.. The cover design is greot!
Now rest assured.

About the chapter title
The Chinese title 潮来 literally means 'tide comes', following the Chinese word for menarche, 初潮 which literally means 'first tide'. So I named this chapter 'Month Begins', which the word menarche literally means in Latin

Next Chapter: National Day's Eve
Read from Left to right
